

Card Valet

[checking only]

CardValet® helps you protect your debit card by sending you transaction alerts and giving you the ability to define when, where and how your cards are used. Simply download the CardValet® app to your smartphone, then customize your alert preferences and usage settings to monitor and manage your cards.

NOTE: This application is powered by Fiserv, Inc. but is activated through Health Center Credit Union.

On your Mobile Device, from the HCCU Card Valet page, hccu.coop/cardvalet:

1. Click on the 'Google Play' (Figure 2) or 'App Store' (Figure 3) icons, or simply search for 'Card Valet' in the Google Play or Apple App Stores. (Figure 1)
2. Once you locate the Card Valet App, click 'Install', and 'Accept' all required permissions.
3. You will need to enter your debit card information and register your card before setting alerts.

Key Benefits:

- Alerts ensure safe, secure card usage and help you quickly detect unauthorized or fraudulent activity.
- Sign up for alerts based on transaction amount, location, merchant type or transaction type
- Set limits for spending - great for parents or employers wanting to ensure spending policy compliance
- Turn your debit cards "off" if they're misplaced or stolen - right from your smartphone (Figure 4)
